CAREER OPPORTUNITY

SURVEY TECHNOLOGIST OR LAND SURVEYOR IN TRAINING

GeoTerra Surveys, Stratford PE

GeoTerra Surveys is a well-established professional geomatics services firm located in PEI and Nova Scotia. **We are looking for a Survey Technologist with field experience in cadastral surveying in PEI or a PEI Land Surveyor in Training to join our team.**

GeoTerra provides a full spectrum of legal, topographic, construction, drone/UAV mapping and bathymetric surveying services including land development and consulting in both rural and urban settings. Our land surveyors provide direct, in-person mentorship and skill development. This position may lead to career advancement for the right individual.

Responsibilities and Duties:

- Working in a team environment and individually in both field and office settings
- Performing various types of surveys efficiently and accurately, and maintaining concise field notes and sketches
- Working in both urban and rural settings, including construction sites, in all types of weather
- Ensuring survey equipment and company vehicles are maintained and organized
- Adhering to company safety policies

Requirements and Qualifications:

- Diploma or Degree from a recognized surveying or Geomatics program
- Experience in cadastral field surveying, including condo, and multifaceted developments in PEI
- Strong leadership and motivational skills
- Effective verbal and written communication skills
- Ability to think critically, be well organized with attention to detail
- Experience researching, reviewing and extracting information from legal plans
- Computer and technical competence
- Must have a valid Driver's license
- Excellent interpersonal skills and ability to provide mentorship to others

Benefits:

- Competitive remuneration based on qualifications and experience
- Career advancement

GeoTerra is an equal-opportunity employer. The salary range for this role between \$20-\$35 per hour, depending on qualifications and experience.

To apply for the position, please send your CV and cover letter in confidence to colin@geoterrasurveys.com. Thank you for your interest. Only shortlisted candidates will be contacted.
